

Welcome!

We are a family business in the now proud 7th generation, with approximately 150 years of history and tradition. Quiet and cozy - Schneider's inn is an ideal base for you day trips, cycling and walking tours.

Our inn is very quietly situated in the heart of the beer region Franconia and the biker's paradise "Franconian Switzerland". Schneider's inn is still very comfortable to reach via the motorway A73: From the south exit "Forchheim Nord", coming from the north, exit "Buttenheim".

From here it is only about 25 km to the world-famous old town of Bamberg or the university town of Erlangen. Also the festival venue Bayreuth or Nürnberg Middle Franconia metropolis are easily reached in less than an hour by car or motorbike from here.
